THE SOHRAE YOUTH ENSEMBLE

George Weston Recital Hall

November 19, 2011

7:30 PM

Sohrae Youth Orchestra is the biggest non-profit organization in Toronto consisting of Korean student volunteers, aimed to improve the cultural appreciation in adolescents and to share our musical talents with the GTA community. Sohrae Orchestra started out as an ensemble for Sohrae Presbyterian Church during Sunday worships in 2003. It soon grew to be an independent non-profit organization in 2004 with governmental approval. Our auditions are now open to all Korean students whose love for music compels them to greater lengths, regardless of religion. Sohrae Orchestra volunteer at various Korean- and Canadian-community festivals and hold annual fundraising concerts to donate all profits to charity organizations, such as Toronto City Mission. Our concerts have established themselves as an anticipated yearly celebration of musical talents, one of the biggest events in Korean-Canadian and the regional community.

This is the 8th year, and the 11th annual concert. The concert will include numbers like Egmont Overture by Beethoven and Symphony in C by George Bizet, conducted by Hyuk Kim with 60 members.
